STREET CIRCUS DUO

CLOWN • HANDSTAND • HULA HOOPS

# Menayerí

CIRCO

COMPANY

Menayerí circus is a women's duo from Argentina that combines stunning circus skills with great physical comedy. Their eccentric characters, unique aesthetics and explosive rhythm create the identity of this company. Menayerí Circo is not to be seen, it is to be lived.

A promotional image for Menayerí Circo. It features the two women from the previous photograph, now wearing different costumes. The woman on the left is wearing a purple jacket with a black fur collar and a purple rose headband. The woman on the right is wearing a green jacket with a black fur collar and a green snake print headband. They are both wearing headbands with microphones and are pointing their fingers towards the camera with excited expressions. They are standing in front of a purple background with a large, thin purple hula hoop. The background is decorated with colorful, tropical-style patterns.

## SHOW

### MARCIA AND LA HIEDRA

**A hilarious, authentic and explosive show.**

The ridiculous personalities of Marcia and La Hiedra make this show a unique comedy. This clowns will compete absurdly to discover who is the best. They will display all their talents to achieve it, from an indescribable amount of hula hoops to the most vertiginous handstands in height. However, they will discover that their exceptional duo is what generates the laughter, amazement and complicity of the entire audience. In this way, they will remind the world that union and friendship are the real triumph.
